

MAND TRAINING (VB) COMPETENCY

Learning Objective

VB Competency: Describe the process of using mand training to teach a socially significant skill/target to your client

Assignment Description

The purpose of this assignment is to gain practical experience individualizing mand training procedures (e.g., early mand training, manding using attributes, manding for missing items etc.) for a specific client. The assignment should be approximately 3 double spaced pages in length and is worth 20 points.

Steps

1. Select one client (actual or hypothetical) and at least one skill /target to teach using mand training to utilize for this competency paper.
2. Review the power point presentation with examples of mand training targets.
3. Review the assignment template provided with all required sections included.
4. Using the template as a guide, describe how you used mand training to teach your client a specific skill. Ensure an excel graph is included.
5. Proofread your competency paper and check APA style.
6. Use the provided grading rubric as a self-check before submitting your paper.
7. Email your final draft to me before class on Wednesday 11/13/19.

Grading
