

# CHAINING COMPETENCY

## Learning Objective

---

Chaining Competency: Describe the process of teaching your client a behavior chain using backward chaining

## Assignment Description

---

The purpose of this assignment is to gain practical experience utilizing chaining for a specific client. The assignment should be approximately 3 double spaced pages in length and is worth 20 points.

## Steps

---

1. Review the power point presentation with examples of chaining.
2. Review the assignment template provided with all required sections.
3. Select one client (actual or hypothetical) and one goal for this competency paper. Develop a 5+ step task analysis and describe the process of using backward chaining to teach the client the chain of behaviors.
4. Using the template as a guide, describe how you will use backward chaining to teach your client a behavior chain.
5. Proofread your competency paper.
6. Use the provided grading rubric as a self-check before submitting your paper.
7. Email your final draft to me before class on Wednesday 11/6/19.
